The scoring will remain the same with two full sets +/- championship tie break if one set all.

The position in the table will be determined in this order firstly on matches won, secondly on full sets won.

If these are both equal it will be decided on the difference between games won and lost and lastly if all else is equal on games won.

This does away with the anomaly of scoring the same for winning 6-0, 6-0 or losing 6-7, 6-7.

Deadline for completion is August 31st
