PLAY = on duty: If you couldn't collect the balls the previous week, someone will bring them for you. If necessary, get some from the box (top court). Jenny, David S, Nick and Margaret have keys to the box. After the games, please pass the balls on to the next week's organiser (or Margaret). If you are unable to PLAY, it is your responsibility to contact a reserve player to take your place. There is a Whats App group for this purpose. If you can't find anyone, please tell the person on duty. If you are doubtful about the weather, please contact the person on duty. Four courts are reserved from 10.00 until 12 noon - and afterwards some of us visit the Red Lion in Eaton. The key to the Portaloo is in the lower court floodlight box. Please ensure it is locked after use, and hands are sanitised. **PLEASE BE FAMILIAR WITH THE COVID-19 GUIDELINES IN THE ACTION PLAN ISSUED WITH THIS ROTA. THERE IS HAND SANITISER IN THE BALL BAG.** Any queries, or new players, please contact Margaret Robins (margaret.robins@btinternet.com).
